

## Association Internationale des Arts Contemporains

### APPEALS FOR DONATIONS COMPANY:

Mobilise ourselves : The company as a cultural integrator.

The International Association of Contemporary Arts (AIAC) is a true cultural enterprise, aims to bring together activists from the world of culture and the entrepreneurial sphere.

Our mission : To promote art and creators in the fields of visual arts, design, architecture and the living arts.

Our primary ambition is to bring together different communities to promote innovation and creativity. We are convinced that esthetics has an ethical, human and universal value.

Our objective is to organize intercultural events with partners from the artistic, scientific and technological community.

Promote our inter-communal differences a factor of wealth, for propose ambitious projects in the service of artistic and enterprise brotherhood.

At the crossroads of cultures and knowledge, we invite you to contribute to the birth of our unique event "Women of the world" from 11 to 21 June 2020, in a mythical place, the Sucrière de Lyon.

The Women of the World exhibition is:

5 continents

40 artists and designers

20 fashion and accessories designers

Composers and choreographers

3 thematic days:

Fashion day and creators

Business leaders day

Architects' Day

20 000 visitors expected

These eleven days of exhibition, exchange, artistic confrontations, performances in an emerging and singular universe, will allow you to meet other economic and cultural actors. Especially through our theme day dedicated to the company, you will be invited.

You want to make your contribution ?

We invite you to donate to the International Association of Contemporary Arts (AIAC)

**Donations are deductible from income tax or corporate income tax up to 60% of the amount of the gift and up to 5 % of the annual revenue excluding tax.**
